

# WHAT'S HIDING IN OUR AIR?

*Classroom Presentation*

**FREE!**

*Now Accepting Bookings  
September 2018 - March 2019*

Using high-tech tools that measure air quality around your school, this presentation will engage students in discussions on ways to improve air quality with more emissions-free travel, including cycling and walking.

**Length:** 60 minutes

**Grades:** 1-6

**Bookings:**
