

# earth manners

*Take only memories and pictures. Leave only footprints.  
Stay on sidewalks, marked trails and paths.  
Don't litter. If you see litter, pick it up.  
Don't carve or draw on trees, rocks or property.  
Show respect and care for all living things.*

Draw a picture to illustrate the poem.

# Get into the Box!

Help AI lead the way through the maze. Start at the entrance of the maze and work your way all around. Be sure to make it to the blue box to be recycled!
