

SUPERMARKET STROLL

You have gone to the supermarket to buy groceries.

In addition to finding food for your family, you want to leave as small an "Ecological Footprint" as is realistically possible.

Where will your path take you?

(Please note, there is not a definitive "right" or "wrong" answer.

Be prepared to create your own choice by filling in c. of each question.

Also, be prepared to defend your choice.)

1. In the produce section, you choose:

a. loose apples

b. pre-packaged apples in a plastic bag

c. _____

2. Still in the produce department, you choose:

a. loose carrots imported from the United States

b. pre-packaged local carrots in a plastic bag

c. _____

3. In the bakery section, you choose:

a. sliced bread in a plastic bag

b. un-sliced bread in a paper bag

c. _____

4. In the condiments aisle, you choose:

a. two 500 litre plastic bottles of ketchup

b. one 1 litre plastic bottle of ketchup

c. _____

5. In the dairy department, you choose:

- a. eggs in a styrofoam carton
- b. eggs in a cardboard carton
- c. _____

6. Still in the dairy department, you choose:

- a. one 2-litre plastic container of yogurt
- b. six individual-serving plastic containers of yogurt
- c. _____

7. In the frozen food aisle, you are looking for pizza. You choose:

- a. frozen pizza in a cardboard box
- b. frozen mini-pizzas, individually wrapped in plastic inside a plastic box.
- c. _____

8. In the Paper Goods aisle, you choose:

- a. "standard", brand-name paper towels
- b. recycled paper towels by a company you have never heard of
- c. _____

9. You are simply amazed. You have found the most over-packaged, processed food in the entire supermarket. It is _____.

10. Finally, you are at the check-out, prepared to pay for your groceries. You choose:

- a. paper bags
- b. plastic bags
- c: _____
