

CLEAN AIR DAY REGISTRATION FORM

The Bike to School Month is a friendly competition to see how many students can walk, bike, and roll to school from May 8 -June 7, 2017. The month caps off on June 7 with Clean Air Day, an afternoon event for students at Assiniboine Park. Interactive stations and booths will give students a chance to learn more about active transportation, its impact on their environment, and how fun being active can be!

On June 7th, Green Action Centre invites you to join us at Assiniboine Park's Lyric Stage field with your students to celebrate a job well done during bike to school month.
