

# G. EDUCATIONAL RESOURCES

Here are a few resources to help students, teachers, community members, and Chief and Council learn how we can reduce waste and recycle more.

RESOURCES FOR <b>TEACHERS</b>	MORE INFORMATION
<b>Manitoba Education for Sustainable Development</b>	<a href="http://www.edu.gov.mb.ca/k12/esd/index.html">www.edu.gov.mb.ca/k12/esd/index.html</a>
<b>Multi-Material Stewardship Manitoba</b> – School Programs	<a href="http://www.simplyrecycle.ca/school-programs">www.simplyrecycle.ca/school-programs</a>
<b>Canadian Beverage Container Recycling Association (CBCRA)</b> – Recycle Everywhere 101 for Schools and video library	<a href="http://www.recycleeverywhere.ca/recycle-everywhere-101">www.recycleeverywhere.ca/recycle-everywhere-101</a>
<b>Green Action Centre and Take Pride Winnipeg</b> – Classroom presentations to help students learn how the things we throw away affect the earth and the different ways we can reduce waste. Through age and grade-appropriate presentations, the presenters share practical solutions to show students how they are capable of effecting positive change to inspire greener living, community pride, and citizen responsibility.	Green Action Centre info@greenactioncentre.ca Phone: (204) 925-3770  or  INAC Manitoba Region Phone: (204) 983-0585
<b>Eco Kids</b>	<a href="https://ecokids.ca">https://ecokids.ca</a>
<b>Green Teacher Magazine</b>	<a href="http://greenteacher.com">http://greenteacher.com</a>
<b>Learning for a Sustainable Future</b>	<a href="http://www.lsf-lst.ca">www.lsf-lst.ca</a>
<b>Resources for Rethinking</b>	<a href="http://resources4rethinking.ca">http://resources4rethinking.ca</a>

## EDUCATIONAL RESOURCE

## MORE INFORMATION

### **Green Action Centre**

is a non-profit, non-governmental organization. Through their Composting program, they provide information, resources and support to help Manitobans reduce waste and compost. Green Action Centre also coordinates and trains community volunteers through their Master Composter program, and works with schools and communities to develop composting programs to address their unique needs.

[www.greenactioncentre.ca](http://www.greenactioncentre.ca)

### **Manitoba Association of Regional Recyclers**

is made up of individuals who are responsible for recycling and waste management in municipalities as well as industry partners involved in these processes. This is a collegial group who bring innovations in recycling and waste management and share with other members.

[www.marrmb.com](http://www.marrmb.com)

### **Manitoba Sustainability Initiatives Directory (MSID)**

provides information on sustainability providers and their programs, events and projects across the province.

[www.msid.ca](http://www.msid.ca)

### **Mother Earth Recycling**

is an Aboriginal owned and operated recycling and reuse facility for electronics and electrical waste. It also serves as a training ground for sustainable employment in the Aboriginal community in the recycling industry.

EDUCATIONAL RESOURCE

MORE INFORMATION

**Multi-Material Stewardship Manitoba**

is a not-for-profit industry-funded organization that develops, implements and operates waste diversion programs for designated packaging and printed paper in the province of Manitoba. Their consumer website provides a variety of information and tips on household recycling.

[www.simplyrecycle.ca](http://www.simplyrecycle.ca)

**Recycle Manitoba**

This site helps Manitoba residents learn what items can be recycled and where to take them. It is sponsored by eight of the industry recycling organizations in Manitoba.
