

**Green Action Centre seeks Sustainable Transportation Program Coordinator
(Active and Safe Routes to School)**

Title: Sustainable Transportation Coordinator

Location: Winnipeg, Manitoba

Term: 1 full-time position at 35 hours per week

Application Deadline: 4:00 p.m. CDT on June 30, 2022

Green Action Centre seeks an independent, energetic and well-organized individual to join our sustainable transportation team.

Programs: Sustainable Transportation programs at Green Action Centre include Active and Safe Routes to School, Commuter Challenge, and Workplace Commuter Options.

Position Description: This position will focus on engaging schools, students, and community organizations to make active and green transportation options both appealing and within reach. The coordinator supports Green Action Centre's goals of reducing Manitoba's environmental impacts and related GHG emissions from driving personal vehicles by increasing walking, cycling, public transit and carpooling as preferred and accessible modes of travel.

Key priorities:

- Collaborate with schools and other stakeholders to encourage and help implement sustainable school travel, advance related policies, and share resource documents.
- Lead or assist with the following annual sustainable transportation events: Bike to School Month in May, Clean Air Day in June, and Walktober in October

Background: Green Action Centre is an environmental, non-profit organization based in Winnipeg and serving Manitoba. We are a registered charity, governed by an elected board of directors, with a core group of passionate, dedicated staff. We promote greener living through environmental education and encourage practical green solutions for households, workplaces, schools and communities. Our primary areas of focus are green commuting, composting and waste reduction, sustainable living, and resource conservation. We also run a social enterprise, Compost Winnipeg, which collects commercial and residential organic waste in Winnipeg. We are located on Portage Avenue in the heart of downtown, and are part of the EcoCentre on the 3rd floor of the Mountain Equipment Coop building. The EcoCentre is located on Treaty 1 territory and the homeland of the Métis Nation.

Responsibilities

In collaboration with the Sustainable Transportation team, the Coordinator will have the following duties and responsibilities:

(1) Event Coordination (Bike to School Month, Clean Air Day, Walktober):

- Develop event work plans based on the timeline and activities of prior years
- Secure sponsorships, collaborate with event partners, develop and deliver media and promotion strategies, and coordinate event activities, such as media launches and awards presentations
- Recruit and build the number of participating schools and workplaces, including outreach to rural communities to increase participation across Manitoba
- Engage with event participants through provision of resources, training, workshops, promotional ideas, access to supplies or equipment, etc.

- Secure and manage distribution of prizes for participants, including soliciting donations for prizes from local businesses
- Create evaluation tools, such as feedback surveys, and distribute to event participants
- Update related web pages on Green Action Centre's website and create new content
- Maintain participation and event records

(2) Communications and Promotion (Active and Safe Routes to School):

- Liaise with various committees and working groups and maintain and/or build key relationships with partners at the local, provincial and national levels
- Convene and work with a variety of stakeholders such as parents, teachers & school administrators, engineers & planners, workplace sustainability coordinators and more
- Support monthly communications to schools and educators about Active School Travel, including updated resources and initiatives to support active school travel

(3) Program Administration:

- Prepare and/or contribute to writing funding proposals and reports for funders or sponsors
- Manage project or event budgets and monitor expenses to ensure budget is on track
- Work with team to staff displays and deliver presentations as needed
- Contribute to the broader portfolio of Green Action Centre's work to help Manitobans live green and live well
- Other duties, as assigned

Key Qualifications:

- Strong knowledge of sustainable transportation (green commuting and active transportation)
- Experience working collaboratively, specifically at the community level and/or with non-profits
- Minimum 2 years experience in program delivery and/or event planning and project coordination, including budgeting
- Communications experience, including media campaigns and event promotion
- Demonstrated ability in public speaking, and with presentations and displays
- Strong written and verbal communication skills, with ability to create compelling and well written materials for various audiences
- Active knowledge and comfort with the use of WordPress and social media
- Above average attentiveness to detail
- Strong interpersonal skills, team player
- Organized, deadline driven and excellent time management skills
- Able to work independently and without close supervision

Assets:

- Bachelor's degree in Environmental Science, Urban Planning, or related field
- Diploma or certificate in creative communications or social media marketing
- Experience in facilitation, partnership development, and working with diverse communities
- Knowledgeable about rural/northern Manitoba communities
- Knowledge of local and provincial sustainability and environmental issues

Attributes

- Self-driven and proactive; goes the extra distance to get something done
- Professional, punctual, and reliable
- Positive, values driven; inspires others, and actions align with our mission
- Innovative, resourceful and focused on solutions

Working conditions

- Position is based in Green Action Centre's office at 303 Portage Avenue, Winnipeg.
- Regular office hours, with some evenings and weekends required in times of heavy deadlines or for special events (following public health guidelines).
- Must be comfortable working in an open office environment and spending significant time at a desk working with a computer.
- Option of hybrid working conditions is available.

Diversity and Inclusion

Green Action Centre is committed to being an inclusive organization and is working to better reflect and represent the diversity of the communities we serve. We encourage members from the following communities to apply and self declare in your application:

- Indigenous, Black, People of Colour
- Immigrant or refugee
- People with disabilities
- LGBT2SQ+

Being a member of an equity group is among our hiring selection criteria. Your declaration of membership in any of these groups will remain confidential.

Position & Application Details

Term: Anticipated start date of September 1, 2022. The position reports directly to Senior Sustainable Transportation Coordinator, and to the Executive Director.

Remuneration: \$34,580 to \$38,675 per annum based on a 35 hour work week, commensurate with experience. Green Action Centre provides a flexible schedule, includes a Winnipeg Transit EcoPass (or financial equivalent for walking/biking) as part of our “Active Transportation Benefit” policy, and provides a Health & Benefits program (after 3 months employment).

Deadline: 4:00 p.m. CDT on June 30, 2022

To Apply: Submit resume and cover letter to info@greenactioncentre.ca with “Sustainable Transportation Coordinator” in the subject heading. Applications will be accepted until the deadline by email only.

While we thank all applicants for their interest in the position, only those selected for an interview will be contacted. No phone calls, please.
